Rick Boadadanco (he's a plumber), Rick Boadadanco

Rick Boadadanco (he's a plumber), Rick Boadadanco

When things won't go down, Rick's on his way

He's always on call, both night and day

He can unclog any pipe

He's cool, he's suave, he's Mr. Right

In the day time he drives his van

At night time he's a ladies man

He's not the type to use Liquid Drano

No matter what he does you just can't say no

Call 1-800-Ricky-BD

Call 1-800-Ricky-BD

Call 1-800-Ricky-BD

Leave a message when you'll be free

With a torch that's lit to a copper line

He'll Fix that drip and blow your mind

He can plunge two bowls with a single glance

The girls all call him Rick Romance
